

## Let's Clean It Up

By Karen Gersonde

Let's clean them up,  
It's the thing to do.  
Everyone can do it,  
So can you.

Let's keep our lakes  
Clean and blue,  
Gather your friends,  
Neighbors and family, too.

Form a group  
And do it together,  
In sunshine, fog,  
Or any weather.

Pick up cans,  
Bottles and any glass,  
Wrappers, paper,  
And any trash.

Be a friend  
To our Great Lakes,  
The future of these waters  
Is at stake!
